ABOUT IBCCI

India and Bangladesh, being the closest of the neighbouring countries, have felt the need and desire for economic and bilateral trade cooperation on a long-term sustainable basis. Trade between the two countries has been growing rapidly since the early 1990s. India and Bangladesh offer natural markets for each other's products. In their mutual trade, they enjoy the advantages of reduced transaction costs and quicker delivery due to geographical proximity, common language, heritage, and physical infrastructures. On that ground, the formation of a joint business chamber to boost trade between the two countries was a long felt necessity of the business communities of both countries.

Keeping the above scenario in mind, the chamber started its journey in 2007 with the following objectives:

- ▶ To solve bilateral business issues between India and Bangladesh.
- ▶ To increase the export of Bangladesh to India.
- ▶ To reduce the trade imbalance between India and Bangladesh.
- ▶ To encourage Indian investors to invest in Bangladesh.
- ▶ To act as a one-stop business solution center for the business communities of both countries.
- ▶ To facilitate the transfer of technology between the two countries, in respect of industrial and Commercial innovations.
- ▶ To help set up an export-processing zone in Bangladesh where Indian investors will feel encouraged to invest.
- ▶ To help solve problems relating to the issuance of visas for the businessmen of both countries.
- ▶ To encourage cultural exchanges between the two countries.
- ▶ To pursue building infrastructural facilities in the borderland ports of Bangladesh.
- ▶ To take up other relevant business issues.

Annual Report 2021-2022

Esteemed Members of the General Body and

My Dear Colleague on the Board of Directors of IBCCI

On behalf of the Board of Directors, I am delighted to welcome you all to the 15th Annual General Meeting (AGM) of the India Bangladesh Chamber of Commerce & Industry (IBCCI).

The Board of Directors wishes to express its appreciation and gratitude to the members of the IBCCI for their involvement and cooperation in the AGM. We feel that your attendance has provided us with a unique chance to get important ideas and feedback to improve our IBCCI.

The report provides a brief review of the key economic performance of the business of the IBCCI, Minutes of the last AGM Report of IBCCI's line of activities, choosing of IBCCI's activities for the coming 2 years, Audited Accounts, glimpses of IBCCI, and details of previous Directors.

We have already passed through a period of 2 years of global health crisis arising from COVID-19 pandemic, one that has been causing the loss of human lives, spreading human suffering, and upending people's lives. But this is much more than a health crisis. It is a human, economic and social crisis, attacking societies at their core worldwide and having no parallel in the history of mankind. However, considering that human civilization developed on the theory of "Challenge and Response", the pandemic has given rise to human ingenuity and strengthened resolve to deal with this unprecedented crisis and fallouts thereof. Risk to the global baseline is on the rise. Elevated inflation is expected to persist for longer than envisioned earlier, with ongoing supply chain disruptions due to Russo-Ukrainian War and high energy prices continuing in 2022.

Trade between India and Bangladesh has expanded over the years though the supply chain was disrupted a bit during the pandemic COVID-19 but soon after the restriction of COVID-19 was over trade and business have got their momentum. Still there, is also a need to provide renewed thrust to transport connectivity, especially by reviving rail, road and waterway transport of goods and people to promote bilateral trade. Specifically, there is an end to support transits of cargo across India-the Bangladesh land border via Petrapole-Benapole, Phulbari- Banglabandha, and Dawki-Tamabil points. Both the countries can also benefit from linking Akhaura in Bangladesh with Agartala through railway line.

I have the pleasure to mention that with continuous support and cooperation from the honorable Board of Directors, Members, and Secretariat of IBCCI, the chamber was able to facilitate trade operations during a hard time of the pandemic coronavirus. Coronavirus overlaid on existing global challenges, is the biggest stress test that international development cooperation has ever faced worldwide.

The Chamber gave an effort so that the trade between the two countries was attempted to keep smooth in all situations. These attempts helped IBCCI to improve its services to the distinguished members as well as raise collective voices of private sectors for cultivating a good business environment addressing the challenges and concerns of the business between India and Bangladesh.

Dear Distinguished Members,

Bangladesh has attempted a few measures to overcome the negative impact of the pandemic. Due to government endeavors combined with the hard work of the people, the Bangladesh economy has been less influenced compared to other nations amid the pandemic. Despite the pandemic, agricultural production has been outstandingly good—that made a difference in guaranteeing food security.

Bangladesh also needs to address the challenge of creating jobs/employment opportunities through a competitive business environment, increased human capital and skilled labor force, efficient infrastructure, and a policy environment that attracts private investments.

Recently, the two countries have begun talks and started signing some comprehensive economic partnership agreements (CEPA) to enhance trade relations. Bangladesh proposed the agreement focusing on the challenge during graduation from LDC (least developed country) status. Signing such a deal is going to add to improving connectivity, and trade between Bangladesh and India will increase.

Some important decisions have been taken by the joint agreement between the two countries during the historic visit of Bangladesh Prime Minister Sheikh Hasina to India, highlighting the importance of close neighbors and friendly relations are: unflinching friendship, key decisions regarding the development of inland rail connectivity in Bangladesh, the new initiatives were taken for the development of Bangladesh-India rail connectivity, protecting against global economic shocks, ensuring the convenience of comfortable movement of people and products, border security and management, committed to the collective fight against terrorism, defence and security cooperation, river water-related cooperation, cooperation in the power sector and energy sector, development cooperation, enhancing bilateral and sub-regional trade and connectivity, mutually beneficial two-way trade, Bangabandhu and the spirit of the 1971 Liberation war, the future area of cooperation, regional problems. And with this agreement, IBCCI can proceed with the areas which are very much relevant to us.

The recent upsurge of pandemic waves in India, which started in March 2021, has caused unprecedented and alarming infection and death throughout the world. India & Bangladesh has been hit by it and lost several lives.

The COVID-19 situation has been getting better now with several infections coming down due to the prompt vaccination drive throughout the country, we are forwarding toward the pre-pandemic life. With this, we are hoping all the trades and other business connectivity will take a higher step and get better making both economies more significantly developed.

For IBCCI, the most significant events of the year:

With the increase of pandemic COVID-19, we have all needed to quickly transmission to online, virtual, and remote instruction. It can be recalled that we have arranged several webinars amid severe COVID-19 situation "India Bangladesh virtual Trade fair on Agri and Meat Products on 7th July 2021," "India Bangladesh Partnership- Economic Revival in a post-Covid world on 11th August 2021," "FoodTech India 2021 on 24th August 2021," "Digital Conference on Doing Business with Bangladesh: Opportunities and Challenges on 29th June 2021" to discuss how bilateral cooperation can be utilized multilateral platforms and channel partners initiatives could benefit both India and Bangladesh in managing economic consequences due to COVID-19.

Bangladesh celebrated 50 years of its Independence and National Day on 26 March coinciding with the grand celebration of the birth centenary of the Father of the Nation Bangabandhu Sheikh Mujibar Rahman. Keeping this in view, IBCCI brought out its first 'Member's Directory.

On that discussion; explain the import policy, do not further test if there is a Fit For Human Consumption Certificate issued from the exporting country, change the time limit for submission of B / E to 45 days instead of 30 days. Other issues were discussed, including permission to take the rail container to importers final destination/on chassis delivery. The chairman of the National Board of Revenue said that the aim of the government is not just to collect revenue, rather to facilitate trade.

Mr. Masud Sadiq, Member, National Board of Revenue, Dr. Neyamul Islam, First Secretary, Coordinator of the Budget and Mr. Farid Uddin, First Secretary were present on the meeting. Mr. Motiar Rahman, Director, India-Bangladesh Chamber of Commerce and Industry expressed his gratitude to the Chairman of the National Board of Revenue for facilitating the import of goods by rail in COVID-19 Pandemic Situation and for his role in importing Oxygen Express.

India to invest Tk 800 crore in Bangladesh in JV projects: BIDA

Md. Sirazul Islam, Executive Chairman of Bangladesh Investment Development Authority (BIDA) has informed that Indian entrepreneurs are interested to invest 800 crore taka in Bangladesh through joint venture (JV) projects. Md. Sirazul Islam conveyed this information on Sunday while speaking to journalists at a press conference on the foreign investment scenario in Bangladesh. Leaders of India-Bangladesh Chamber of Commerce and Industry (IBCCI) were also present at the event.

Recently a conference titled "Trade and Investment Prospects between India and Bangladesh" was held in Jaipur, India. It was organized by the Confederation of Indian Industry (CII) and India-Bangladesh Chamber of Commerce and Industry (IBCCI). Sunday's press briefing was organized to inform media about the outcomes of the conference. IBCCI President Abdul Matlub Ahmad said that more business delegations need to be exchanged between Bangladesh and India. He called upon media outlets to focus on the advancement of trade and commerce between the two countries.

Bangladesh at present exports goods of 2 billion dollars to India which is expected to reach 3 billion dollars in near future, IBCCI Vice President Shoeb Chowdhury expressed hope. Moreover, Shoeb Chowdhury said that India is soon going to become Bangladesh's fifth largest export destination. At present USA, Germany, United Kingdom, France, Spain and Poland are the major importers from Bangladesh. Indian transport company TVS and Bangladesh's Nitol-Niloy Group will work together in Bangladesh for manufacturing motor vehicles and promoting Indian investment in Bangladesh's transport sector.

IBCCI was associated with ACMA's Three Concurrent Shows

While the EV Summit and Exhibition showcased the industry capabilities in new-age industry, ATPSE and i-Auto Connect displayed the industry's technical and export strengths

The Automotive Component Manufacturers Association of India (ACMA) successfully concluded three concurrent events – the ACMA EV Summit and Exhibition, the Auto Technology Partnership Summit and Expo (ATPSE) and i-Auto Connect, ACMA's flagship reverse buyers and sellers meet. The two-day extravaganza was held on March 23 and 24, 2022 at the Greater Noida Expo Centre. The event witnessed a congregation of thought leaders, industry representatives and domestic component manufacturers from both traditional as well as the electric vehicle (EV) sectors.

Over 130 ACMA members, including 50 from the e-mobility segment, displayed their latest products and technologies. A sizeable number of international delegates from over 30 countries visited the event while business delegations from the UK, Spain, Israel, Russia and Bangladesh evinced keen interest in India-made automotive components.

That apart, several business leaders from OEMs also visited the event. The event was inaugurated by SunjayKapur, President, ACMA and Chairman, SonaComstar, Dr. Reji Mathai, Director, ARAI, Mahua Acharya, Managing Director and CEO, Convergence Energy Services Limited, Shradha Suri, Vice President, ACMA and Chairperson and Managing Director, Subros Ltd., Nishant Arya, Chairman (E Mobility), ACMA and Vice Chairman, JBM Group and Chairman, Linde-Wiemann GmbH and Vinnie Mehta, Director General, ACMA.

Inaugurating the event, SunjayKapur said, "The entire automotive industry is undergoing a paradigm shift as we transform into a mobility industry. The phenomenal increase in the sales of electric vehicles in India in the current financial year indicates that EVs have clearly caught the imagination of people. Whilst the government policies have been very conducive towards adoption of EVs, issues such as range anxiety, standardisation of battery chargers, and acquisition cost of EVs and ease of financing also need to be addressed to create a beneficial ecosystem. Going forward, OEMs,

Participation of IBCCI in the Bengal Global Trade Expo 2022

Bengal Global Trade Expo 2022 was held at the Science City in Kolkata from April 20 to 24, 2022 under the aegis of Bengal Global Business Summit 2022 organized by the Government of West Bengal and CWBTA. Bangladesh attend the expo with a big delegation headed by the Honorable Minister, Ministry of Commerce Mr. TipuMunshi.

IBCCI also attended the expo with a delegation comprising of 11-members. IBCCI Team was cordially received by the organizer. Our delegates went around different stalls of the fair and conducted bilateral discussions with the concerned counterpart and exchanged views and ideas with other attendees who came from different countries and the different states of India in particular.

It is to be noted here that the GDP of West Bengal has grown 3-times over the pastdecade and is currently the 6th largest state.

Bengal's growth factored along with its strategic location in east India positions for which it is the growth hub for both manufacturers and traders. Keeping this in view the CWBTA and the Government of West Bengal have set this platform for exhibiting innovative products and goods along with a vision to leverage design, innovation, and technology in the backdrop of global and regional trade. It was an opportunity for our delegates to connect, collaborate and showcase their products with the traders and manufacturers.

Furthermore, the organizers offered us unprecedented access, insights, and opportunities to connect and collaborate with India and global Industry leaders/ visionaries, academicians, and state administration. In fine the platform brought forth the best ideas and solutions in a wide range of areas where products meet their right audience and thus grow to the next level.

"The Federation of Indian Export Organisations" (FIEO) in Association with the "High Commission of India, Bangladesh" is organizing the "Best of India Expo 2022", to be held from 23 – 25 June, 2022 at International Convention City of Bashundhara (ICCB), Dhaka.

The "Best of India Expo 2022" will showcase the best quality products from India in the top 10-12 sectors of Bangladesh. It will showcase Food & Agro products (Frozen Foods, Spices, Tea & Coffee, etc.), Textiles & Made-Ups, Handicrafts & Handlooms, Cotton & Jute products, Home Appliances & Consumer durables, Plastics and its articles, Engineering goods, Homeware & Kitchenware, Building & Construction products & Tourism etc. reads a press release.

The similarities between the history and culture of Bangladesh and India have created strong ties between the two countries. India and Bangladesh share bonds of history, language, culture, and a multitude of other commonalities. The excellent bilateral ties reflect an all-encompassing partnership based on sovereignty, equality, trust, and understanding that goes far beyond a strategic partnership. These two neighboring countries have celebrated 50 years of harmony.

Bangladesh and India are working together to further strengthen political, economic, trade, and cultural ties. The Best of India Expo is an initiative of Government of India to further strengthen & deepen the bilateral trade and economic ties between India and Bangladesh and take the mutual engagements to the next level. Bangladesh is amongst the fastest growing countries in South Asia in terms of development and is currently India's top trading partner in South Asia while India is Bangladesh's second largest trading partner.

Diplomatic relations between India and Bangladesh have been more than 50 years old. During the COVID epidemic, Bangladesh and India extended their hands of cooperation to each other and "Best of India Expo-2022" is expected to take this friendship further.

"Federation of Indian Export Organisations" popularly known as 'FIEO' is an apex body of the Government of India Set up in 1965 by Ministry of Commerce, Govt. of India to focus the efforts of all stakeholders engaged in promotion of trade from the country, FIEO is partner of Govt. of India to boost International Trade from India.

FIEO provides the crucial interface between the International Trading community of India with the Central and State Governments, Financial Institutions, Ports, Railways, Surface Transport and all engaged in Export Trade Facilitation. The Federation directly and indirectly serves the interests of over 200,000 exporters from every Industry and Services sector in the country.

Fifty-plus Indian companies are participating. The event is supported by the India Bangladesh Chamber of Commerce & Industries (IBCCI). The exhibitions will be open to the public every day from 10.00 am to 7.00 pm.

IBCCI leaders call on the honourable Home Minister

IBCCI President Abdul Matlub Ahmad, Vice President Shoeb Chowdhury and Runner Group Director Mohammad Ali Deen talked to the Home Minister about different important issues.

The IBCCI leaders called upon the Home Minister to ease the process of employment visa and business visa for foreigners who come into Bangladesh for working and investment. The IBCCI leaders said that Bangladesh's land ports with India play vital roles for facilitating trade and commerce between the two countries. The IBCCI leaders also requested the Home Minister to expedite immigration process for investors from overseas.

Asaduzzaman Khan Kamal applauded the beneficial role of IBCCI in boosting business ties between Bangladesh and India. The IBCCI leaders admired the Home Ministry for keeping up a satisfactory law and order situation in Bangladesh despite many challenges.

He recalled India's selfless support and cooperation to Bangladesh during the Liberation War of 1971. He also stated that his ministry would take necessary initiatives to materialize the suggestions of IBCCI to further fortify the commercial alliance between Bangladesh and India and to make the friendly relations between the two countries more consolidated in days to come.

Vice President M Shoeb Chowdhury meets Harsh VardhanShringla in Delhi

Vice President of India-Bangladesh Chamber of Commerce and Industry (IBCCI) and Chairman of The Asian Age Shoeb Chowdhury had a meeting with the Chief Coordinator of G-20 Harsh VardhanShringla in New Delhi on Thursday.

Shoeb Chowdhury recalled the cooperation and support Bangladesh received from India during the Liberation War of 1971. Harsh VardhanShringla referred to India's "Neighbours First" foreign policy and stated that India would always stand by Bangladesh. India is one of the most vital development partners of Bangladesh, Shoeb Chowdhury said during the meeting.

Harsh VardhanShringla paid deep honour to Father of the Nation Bangabandhu Sheikh Mujibur Rahman while speaking to Shoeb Chowdhury. Harsh VardhanShringla expressed hope that the friendly alliance between India and Bangladesh will become more consolidated in days to come.

Shoeb Chowdhury recollected musical maestro UstadAlauddin Khan who was born in Shibpur union under Brahmanbaria district. He laid emphasis on building up a musical archive to preserve the memory of UstadAlauddin Khan and his contribution in the dissemination of classical music across the region.

Harsh VardhanShringla placed importance on deeper and stronger ties between neighbors during the present time while the world is going through a restless situation. Both of them talked about upholding the spirit of 1971 and thus to retain and strengthen the existing friendship between Bangladesh and India.

It may be added that Harsh VardhanShringla is the immediate past Indian External Affairs Secretary. He also served as Indian High Commissioner to Bangladesh.

Vice President M Shoeb Chowdhury meets Indian envoy Vikram Doraiswami

Chairman of Editorial Board of The Asian Age and Vice President of India-Bangladesh Chamber of Commerce and Industry (IBCCI) Shoeb Chowdhury had a meeting with Indian High Commissioner to Bangladesh Vikram K Doraiswami on Thursday.

Shoeb Chowdhury talked about India's benevolent role in upholding the spirit of 1971. India comprehensively supported and cooperated with Bangladesh during the Liberation War of 1971, Shoeb Chowdhury recalled. He further said that India and Bangladesh have been doing very well in mutual trade and commerce. Bangladesh's export to India has meanwhile crossed 1 billion dollars.

Bangladesh's export volume to India will further increase, Shoeb Chowdhury stated. He told the Indian envoy that UstadAlauddin Khan was a Bangladeshi born Indian musical maestro who was born in Shibpur under Brahmanbaria district. Shoeb Chowdhury commented that the governments of India and Bangladesh can take necessary initiatives to transform the birthplace of UstadAlauddin Khan into an attractive location for music lovers and tourists of both countries.

Vikram K Doraiswami said that India gives high importance to Bangladesh in terms of diplomatic, cultural and commercial bonds. India views Bangladesh as a special friend from India's "Neighbours First" policy. Vikram K Doraiswami expressed hope that the existing fraternal ties between India and Bangladesh will become more consolidated in days to come.

Acknowledgment:

To conclude, I would like to convey my sincere thank and gratitude to my Board of Directors and express earnest appreciation to all the Members of the Chamber. I also take the opportunity to express my deep gratitude to the Ministry of Commerce, Ministry of Industries, High Commission of India, BIDA, NBR, Bangladesh Bank, and other relevant stakeholders for their continuous support and outstanding cooperation. IBCCI will continue its ongoing endeavors to further develop the India-Bangladesh relationship and thereby creating a robust platform for business interaction between the two brotherly countries. Wishing you a very Happy New Year. Let the new year bring happiness to you all and bring more business opportunities.

Thank you and warm regards,
Abdul Matlub Ahmad

IBCCI AUDIT REPORT 2021-2022

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF INDIA-BANGLADESH CHAMBER OF COMMERCE & INDUSTRY

Report on the Audit of the Financial Statements

We have audited the accompanying financial statements of **India-Bangladesh Chamber of Commerce & Industry** (the Entity), which comprise the statement of financial position as at 30 June 2022, and the statement of comprehensive income, statement of receipts & payments for the year then ended, and notes to financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements give a true and fair view of the state of Entity's affairs in all material respects of the financial position of the Entity as at 30 June 2022, and of its financial performance and its receipts and payments for the year then ended in accordance with applicable International Financial Reporting Standards (IFRSs), International Accounting Standards (IASs) and other laws and regulations applicable for this Entity in Bangladesh.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our report.

We believe that, the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with ethical requirement that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

To the best of our knowledge and belief, we declare that, non-audit services as prohibited by the ethical requirements were not provided by us to the Entity.

Management's Responsibilities for other Information

Management is responsible for the other information. The other information comprises the information including Director's report included in annual report but does not included in the financial statements and our auditors' report thereon.

Our opinion of the financial statements does not cover the other information and we do not and will not express any form of assurance, conclusion thereon.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of financial statements in accordance with applicable IFRSs and IASs. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

We conduct our audit in accordance with applicable International Standards on Auditing (ISAs). Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit, we also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
